Class History

In September of 1942, our class of sixty-four freshmen entered the halls of C.H.S. We were a confident and determined class but even so the problem facing us was a grave one. Our country was at war and many of our friends were called to service. We could hardly grasp the uncertain view of the road ahead of us.

The first few weeks at C.H.S. were not exactly pleasant for most of us, since all the girls were having to perform rat week ceremonies and the boys were bothered with too many belts!

The two home rooms which our large class occupied elected Nina Allen and Patsy R. Watlington as presidents and we seriously attempted to adjust ourselves to the situation.

During the year various drives were staged in our school to back the fighting forces. We entered into these wholeheartedly. Also, many of our members participated in the various activities of our school taking part in sports and clubs.

Our Sophomore year was probably the happiest one. Mr. Myers replaced Mr. Helms as principal and more of our class distinguished themselves in the sports and activities of the school. We were no longer "rats" and now felt that we were really a part of the school.

We elected Billy Vansant and Ira Shelton as co-presidents, since we still occupied two home rooms.

It was during this year that sorrow was brought to our class when Herbert Jones, one of our popular members, was accidentally killed while hunting.

Due to the urgent demand for workers, the call of the armed forces and other pressing reasons, we entered our Junior year with only one-half of our original number. We were now combined into one class. We elected Ruby Craddock as president, Ira Shelton as vice-president, Jean Worsham as secretary, and Nina Allen as treasurer.

During the year we presented "The Womanless Wedding" and though it was our first attempt at such an event, it proved to be a great success. With the proceeds we climaxed our year by honoring the Seniors at an elegant banquet at the Country Club, Danville, Virginia.

At last we are dignified seniors and having faced the problem of war, the problem of peace now confronts us. We must change from the three years of uncertainty caused by war, and must go forth in the world at peace.

For our senior officers we elected Ervis Hall as president, Nancy Norman as vice-president, Bobbe Davis as secretary, and Nina Allen as treasurer. We also elected our annual staff and began to work laborously on the "CHAT".

Finances were our first concern and under Mrs. Cocke's guidance we decided to sponsor a "harvest festival". This was presented in the early fall and proved to be one of the most successful events of the year.

Also during the year many of our members distinguished themselves in the various sports and activities of the school, especially in basketball and Glee Club.

The time has now come for us to depart from the halls of dear old C.H.S. and as we leave, we are sure that each of us will feel a degree of sadness and elation, a deep gratitude for our opportunities, and a joy over our accomplishments. As we go forth in life may each of us attain his desired goal—God being our helper.

Last Will and Testament

After four long years of strenuous mental work, we, the Seniors of CHATHAM HIGH SCHOOL, 1945-'46; being of sound and disposing minds, do hereby make, publish, and declare this to be our Last Will and Testament:

ARTICLE 1. We leave the faculty in general our humble thanks for the knowledge received as a result of enthusiastic interest.

ARTICLE 2. We especially want to leave our thanks to Mrs. Cocke, our Senior sponsor, for her helpfulness and understanding.

ARTICLE 3. To the Juniors of this year, we leave the Key to the School with all its duties and responsibilities. Along with our good qualities, we also leave our mistakes so that they may profit by them.

ARTICLE 4. The Seniors of 1945-'46 voted unanimously to leave Mrs. Scott, teacher of Government IV, our "inbrediness."

ARTICLE 5. To Mr. Ellis Jones, who is much the poet and dramatist, we leave all our dead fairies; with the sincere hope that his belief in them will revive those poor little creatures from their *dead* slumber.

ARTICLE 6. Individual members of the Senior Class leave to various students the following:

Hazel Aaron goes back to Callands, leaving her position in Penders to a deserving Junior.

Nina Allen leaves—taking her brown "beanie" with her.

Betty Bryant leaves with the hope that Leonard Emerson won't be too long in finishing high school.

Doris Carter bestows upon the future pupils of CHATHAM HIGH SCHOOL her quiet and dignified manners.

Ruby Craddock leaves to her brother, Walter, the opportunity and privilege of following in her footsteps.

Bobbe Davis leaves to Mrs. Scott her ability to understand Robert Sullivan.

James Davidson leaves and takes his blonde with him; leaving the competitive brunette to Shirley Hedrick.

After one more bite on her sandwich in Jones Drug Store, "Dickie" East leaves it to Dottee Motley, who buys another since one isn't enough for her.

Concluding his four years of continual arguing and debating, Ervis Hall finally—leaves.

Hazel Hall leaves this institution of learning still t-a-l-k-i-n-g about becoming a doctor.

"Libbye" Harvey bestows her admiration for John Hodiak upon Tommie Frances Seay.

Louise Keen, with her 96 average in shorthand, bestows that good grade upon Belvodean Crocker.

Franklin Marsh wills, to George Lowe, his prominent position as soda jerker in Whitehead's Drug Store.

Nelson Motley, that quiet and undateable lad, leaves his reserved reputation to Herman Gatewood, who doesn't quite know what to do with it.

Nancy Faye Norman wills all her "book sense" to Clifton Emerson so that he won't ever have to study again.

Margie Lee Nuckols leaves her sunny disposition to Betty Mae Jones; hoping that it will brighten her future days at Chatham Hi.

Anne Cabell Overbey withdraws her competitive singing ability from the Glee Club and leaves that field open for Rebecca Compton.

Billy Pigg leaves his red complexion and hair to the fair Betty Jane Motley.

Doris Owen and Mildred Sours leave CHATHAM HIGH SCHOOL together with the hope that their sisters, Violet and Helen, will enjoy a mutual friendship such as theirs has been.

Louise Redd leaves her knowledge of "how to giggle appreciately" to Margaret Owen.

Evelyn Robertson leaves her list of boy friends for all those girls who need it. Now that Evelyn is leaving perhaps they'll be more successful.

Before journeying into parts unknown, Ira Shelton leaves his "superman" physique to Marvin East.

Barbara Ann Sours, after one last ride, leaves her car to her pop—for a change.

Patsy Jane Sours bequeaths her title of "most slender girl" to Jackie Inman.

Before leaving our dear "ole" school Eunice Walker reveals to our dramatics teacher, Mr. Jones, the secret of *Atomic Voice Control.*

Patsy Ruth Watlington leaves her grand personality to each and everyone left behind.

Jean Worsham, as captain of the basketball team, leaves her good sportsmanship as a challenge to next year's team.

Class Prophecy

May 30, 1956

Dear James:

When I saw your picture in the *New York Times* as shortstop for the Cubs, I was reminded of the exciting baseball games we had at Chatham High. To be shortstop for the Cubs is wonderful. but nothing could top the old school days.

Ten years ago tonight, we proudly walked across the stage of Chatham High with our diplomas. How confident we were of our success in the life that stretched before us. It is hard to realize that ten long years have passed, but when I consider the many changes that have taken place in the lives of our classmates, it seems even a greater length of time.

We all predicted that Hazel Aaron would reach her goal. Hazel is now in Hollywood where she is a hair stylist for the famous movie actress, June Allyson.

You remember Nina Allen and Doris Owen, don't you? Well, both of those girls have done well. Nina's studying in high school was not in vain; she was this year's Nobel Prize Winner for discovering the cause and cure of cancer. Doris is doing chemical research work in Africa.

Ruby Craddock is now Dean at Madison College, where she was a former student. I knew she could do it.

Louise Keen is now owner of Keen's 5 & 10c Store in Chatham.

Mildred Sours is owner of a sewing factory in Chatham.

Jean Worsham has moved from Whittles to act as manager of Leggetts, it seems she got Ervis Hall's job.

Ervis Hall hasn't done so badly himself. Shakespeare must have had some effect on him as he is married to a playwright. He and Shirley are in London where he is a very successful lawyer.

Ira Shelton is now Governor of Virginia; he has actually got a private secretary.

There is another member of the class who has a position in our home state, Nancy Faye Norman is Superintendent of Nurses at the University Hospital at Charlottesville, Virginia.

Hazel Hall is now a child specialist at the Children's Hospital, Washington, D. C. Certainly one among our number realized her dream.

We all thought Bobbe Davis would go places with her shorthand and typing. She is now private secretary to the President. Robert's being a Senator makes it very convenient.

Franklin Marsh, since returning from the army after two years overseas, has advanced from a "Soda jerk" to Pharmacist at Whitehead's Pharmacy. Can you believe it?

Louise Redd is now a hostess on an airliner from New York to California. She has left off her giggles and smiles politely.

Barbara Sours and St. Clair are happily living in Boston. Barbara plays the piano for the Boston Symphony, and her husband is quite a successful architect.

It seems the Sheva girls led the married members of our class. I knew the "puppy love" case Betty Bryant had when we were seniors was not just the usual thing—she and Leonard now own a very prosperous farm down Sheva way. Evelyn Robertson, whose sole desire was to be a secretary, is now married to Wesley Hardy. Dicky East, as we all expected, still carries the torch for the Navy. Could it be Monsey?

Libbye Harvey really got what she wanted. She is now a world-known aviatrix living in California, and her next door neighbor is none other than John Hodiak, her school day ideal.

Margie Lee Nuchols, I hear, is still in the groove; she is a Navy Nurse at the Norfolk Base Hospital. Is Gordon there?

Cabell Overbey is now a member of Fred Waring's Sixty-six Pennsylvanians.

Patsy Jane Sours has accepted a position as librarian at Columbia University to be near her husband, who is minister of St. John's Church

Nelson Motley, our bashful boy, is now operator of a "Lonely Hearts Bureau."

Eunice Walker has settled down on a "Bunny" farm.

Doris Carter is actually editor of the "Miss America Magazine" and, incidentally, she has put many new features into the magazine, especially the comic strip.

Billy Pigg pilots a plane from the Chatham-Gretna Airport to New York.

Mrs. Cocke has stopped teaching Math and instead of sponsoring "The Chat", she publishes it.

Well, James, this concludes all the Seniors of 1945-46 except myself. I am now coach for the "Girls National Basketball League;" we have been very succesful. Our team goes to London some time in October.

Always,
PAT.

Boys Baseball Team

Due to the early date at which the annual went to press we were unable to secure exact information concerning the team. Spring training began March 5 under the direction of Rev. C. O. Kidd who has turned out successful teams at C.H.S. for the past three seasons. James Davidson was elected captain and with three years of experinece he is expected to carry the team through a successful season. After three weeks of hard practice Mr. Kidd has chosen the following line-up: Dick Watson, catcher; Ervis Hall, first base; Nelson Motley, second base; Clifton Pickeral, short stop; Clyde Boswell, pitcher-third base; James Davidson, pitcher-third base; Franklin Marsh, left field; Billy Pigg, center field; Luke Hubbard, right field. Substitutes likely to see action are Shelton, Taylor, and Emerson.

The season opens March 22 and C.H.S. expects the team to set a fine record in the 1946 County League.

Boys Basketball Team

The Chatham High School Blue Demons started their basketball practice November 15 with Mr. C. O. Kidd as athletic director and Haywood Crider as coach. The team entered their practice joyously and with a determination to set a fine record for the school. After several strenuous weeks, Marvin East was elected captain and Ira Shelton was elected manager. The race for the first team was close with the decision being Davidson and Hedrick, guards; East, center; and Boswell, E. Hall, and Watson, forwards. In mid-season the team suffered a great loss when its six-foot, three-inch center and captain, Marvin East, entered the armed forces. His position was ably filled by Clyde Boswell and the team went on to finish in a tie for second place in the county league.

On March the first and second the Blue Demons entered in the county tournament where they won second place honors by defeating Brosville, Dan River, and Spring Garden before losing to Gretna High in the finals. The success and sportsmanship shown by this year's team are due largely to the friendly interest taken in it by its coach, Haywood Crider. To him we give our everlasting friendship and heartfelt appreciation.
